

How to dress like it is 1880!

We all realize that all most Wheelmen need is a pair of knickers, a shirt and suspenders. But if that is all you are after you are really missing out. Sedalia has one of the best, most comprehensive Victorian costume shops in the United States. Be sure to visit **Nostalgia Vintage Apparel** at 515 S. Ohio Street in downtown Sedalia. This shop offers a museum and also a shop where they sell vintage clothing, jewelry and antiques.
